GRC is Ideal for building facades, Structural Elements like cladding panels, columns, and decorative elements, as well as Interior Design solutions.

STONE

At Basic Construction, we are specialized in the supply and installation of premium stone cladding for both residential and commercial projects. Our team provides high-quality materials sourced from trusted suppliers and ensures expert craftsmanship during installation.

NATURAL BEAUTY

Whether you're looking to enhance a building façade, interior feature wall, or landscape element, we deliver durable and visually stunning results that add lasting value and elegance to every project.

WHY US?

We offer a wide range of natural and manufactured stone cladding options, including granite, limestone, sandstone, Riyadh Stone, and cultured stone. Each type is available in various colors, textures, and finishes to suit your design vision. Our experts can guide you in selecting the ideal stone that complements your architectural style, ensuring a perfect balance between aesthetics, performance, and budget.

Our highly skilled installation team is trained to handle projects of all sizes and complexities with precision and attention to detail. From initial site preparation to the final finishing touches, we follow strict quality standards to ensure durability, weather resistance, and long-term performance.
